

PUBLIC HEARING

Southern San Joaquin Municipal Utility District (SSJMUD)
will hold a public hearing on:
November 09, 2022, at 2:00 P.M.

Regarding:

2020 Agricultural Water Management Plan Update

The Water Conservation Act of 2009 requires certain agricultural water suppliers in California to prepare Agricultural Water Management Plans (AWMP). To meet the requirements of this legislation, SSJMUD is updating their AWMP. The AWMP includes a discussion of SSJMUD and its irrigation facilities, water supply and demand, and various programs, policies and efficient water management practices being implemented now or planned in the coming years. The SSJMUD Board of Directors will hold a hearing to consider public comments on the proposed 2020 AWMP and Addendum.

A copy of the 2020 AWMP may be reviewed at the SSJMUD office (P. O. Box 279, Delano, CA 93216) or on the District's website (www.ssjmud.org).

Written comments, submitted prior to the hearing should be directed to:

Roland Gross
Southern San Joaquin Municipal Utility District
P. O. Box 279, Delano, CA 93216

Comments may also be provided at the hearing.

If you have questions regarding the AWMP, please contact Roland Gross at (661) 725-0610.
